

Since 1957, ASI* Accurate Partitions has been providing high-performance toilet partitions that meet or exceed specifications, require little maintenance, and withstand the rigors of some very difficult environments. Welcome to the ASI Group—the world's leading manufacturer of partitions, washroom accessories, lockers, and visual display products. We offer the greatest experience in the industry with the largest product breadth delivered when and where you need them. Explore the new standard for basis of design in washrooms.

WE ARE LASER FOCUSED ON **DELIVERING EXACTLY WHAT** YOU NEED—WHERE AND WHEN YOU NEED IT.

Learn about ASI Group's global reach on pages 24-25

Solid Plastic, Phenolic, Powder Coated, Stainless Steel, or Moisture Guard™ Plastic Laminate partitions ready to ship $\mbox{\it within}$ 48 hours.

A marriage of simplicity and functionality creates a collection that has ASI's exclusive Ultimate Privacy at its heart. Zero sightline doors and pilasters meet in a flush finish with routed, overlapping closures for guaranteed privacy. Style and stability have not been sacrificed in this collection, with robust octagonal head rails adding to our seamless construction. The Classic collection matches any aesthetic and performance need. Crisp design lines, bold hardware options, and superior functionality make the Classic collection perfect for any high-profile setting.

CLASSIC **HEAD RAIL**

An octagonal head rail features crisp architectural lines, while stabilizing the pilasters.

OUTSWING HINGES

Outside hinges are required for outswing applications.

COLORS + FINISHES

A wide range of simulated woods, metals, and solid colors available. See page 18.

Classic Partitions in Burnt Strand 5107 with aluminum headrail and stainless steel hardware.

A marriage of European design and engineering with the American manufacturing ingenuity you have come to expect from ASI—with the shortest lead times in the industry. This visually appealing collection is ideal for the most aesthetically demanding applications. The signature top rail provides structural stability and style. If you're looking for strength, comfort, aesthetics, and durability, the Elegance collection has it all.

ELEGANCE TUBULAR HEAD RAIL & ROBUST BRACKET

Pilasters and side panels are supported by the top rail using aluminum or stainless steel brackets.

OUTSWING HINGES

Outside hinges are required for outswing applications.

HEADRAIL CORNER ASSEMBLY

Corners and door panels are perfectly rounded for a refined and elegant appearance.

COLORS, FINISHES, STYLES + SIZES

ASI Alpaco Elegance partitions in Weathered Ash 9842, see colors on pages 18-19. For configuration styles, see pages 20-21 and sizes on the Material Selection Guide.

ASI'S PATENTED INTEGRATED PRIVACY™ METAL PARTITIONS—WHERE PRIVACY IS ENGINEERED INTO THE DESIGN.

DON'T SETTLE FOR AN ADD-ON PRIVACY STRIP AS AN AFTERTHOUGHT.

AT ASI, PRIVACY ISN'T OPTIONAL. IT IS OUR STANDARD.

ASI's proprietary, Integrated Privacy™ metal partitions are engineered with built-in privacy and manufactured as one color matched unit, offering complete privacy without the need for any retrofitted components. Exactly what building occupants want and deserve. See the difference at asi-accuratepartitions.com/privacy.

THE OLD WAY:

INDUSTRY AFTERTHOUGHT SOLUTIONS

NON-COLORMATCHED PRIVACY STRIPS

Finding add-on metal privacy strips to match your partition color is almost impossible. From raw aluminum to a color that's not an exact match, the choices are limited.

NOT SQUARE AND ONE WIDTH DOESN'T FIT ALL

Installing add-on privacy strips and getting them to be square is difficult, they also don't always fit over the gap you're trying to cover.

EXPENSIVE AND DIFFICULT **TO INSTALL**

Imagine installing add-on privacy strips one by one on a large project or having to close your restroom(s) so they can be installed. After hours installation isn't cheap either.

THE NEW STANDARD: PATENTED **INTEGRATED PRIVACY™ SYSTEM**

HOW IT WORKS

Integrated Privacy™ (Hinge Side)

Integrated privacy component overlaps pilaster on the hinge side to guarantee privacy.

Integrated privacy component closes flush with the pilaster on latch side to conceal any sightlines into the compartment.

Integrated Privacy™ (Hinge Side)

Integrated Privacy Partitions feature unique hinges that work with the integrated system.

Easy-Stall™ Shoe

Type 304 Stainless Steel shoe simplifies installation and leveling adjustments.

Our New Standard Occupancy Indicator

Our partition doors are factory drilled simplifying the installation of the occupancy indicator.

Integrated Privacy™ (Latch Side)

Integrated Privacy Partitions feature a Zero Sightline Component to conceal compartment.

ASI's powder coated metal partitions are manufactured with Integrated $Privacy^{TM}$. Thermoset hybrid powder coating on these galvannealed steel partitions provide quality and economy. The finish is resistant to wear, fading, and scuffing. It is easily cleaned and wiped dry.

COLORS, FINISHES, STYLES + SIZES

Integrated Privacy™ powder coated partitions in #985 white, see colors on pages 18-19. For configuration styles, see pages 20-21 and sizes on the Material Selection Guide.

NEW Integrated Privacy™ System

ASI's stainless steel metal partitions are manufactured with Integrated Privacy™ and complement any design scheme. By adding a textured finish, increased resistance to vandalism can be achieved. Available in all four mounting styles.

Integrated privacy™ stainless steel partitions in #4 Satin, see finishes on page 18-19. For configuration styles, see pages 20-21 and sizes on the Material Selection Guide.

NEW Integrated Privacy™ System

Exclusive plastic laminate partitions with Moisture Guard™ Edge Banding creates a seamless beveled profile. ASTM tests on Moisture Guard™ Edge Banding confirms 3x durability with increased resistance to moisture and humidity than Legacy Plastic Laminate, which is also available. Industry leading 5 year warranty. Visit asi-accurate partitions.com.

COLORS, FINISHES, STYLES + SIZES

Moisture Guard Plastic Laminate partitions in Neo Walnut 7954, see colors on pages 18-19. For configuration styles, see pages 20-21 and sizes on the Material Selection Guide.

Solid Plastic (HDPE) partitions are water resistant and unaffected by steam or high humidity. ASI solid plastic partitions have passed the NFPA 286 fire test standard.

COLORS, FINISHES, STYLES + SIZES

Solid Plastic partitions in Blue 9509, see colors on pages 18-19. For configuration styles, see pages 20-21 and sizes on the Material Selection Guide.

Black Core Phenolic sheets are fused at high temperature and pressure. In addition to strength and serviceability, a wide range of colors provides limitless design flexibility. Class "B" Fire Rated Material standard.

COLORS, FINISHES, STYLES + SIZES

Ultimate Privacy[™] Black Core Phenolic partitions in Taupe 9096, see colors on pages 18-19. For configuration styles, see pages 20-21 and sizes on the Material Selection Guide.

Color-Thru Phenolic lives up to its name, with surface color through and through. Color-Thru Phenolic sheets are fused at high temperature and pressure, and are a Class "A" Fire Rated Material standard.

Color-Thru Phenolic partitions in Black 2000C, see colors on pages 18-19. For configuration styles, see pages 20-21 and sizes on the Material Selection Guide.

ASI ACCURATE MATERIAL SELECTION

SIX DISTINCT MATERIALS TO MATCH ANY AESTHETIC AND PERFORMANCE NEED

Stainless Steel

ASI's stainless steel metal partitions are manufactured with Integrated Privacy™ and complement any design scheme. By adding a textured finish, increased resistance to vandalism can be achieved. Available in all mounting styles.

Solid Plastic (HDPE)

Highly resistant to common cleaning agents as well as to moisture, mildew, and graffiti. Ideal choice for busy public facilities and high humidity applications—never needs painting and will not easily dent, rust, or delaminate. Available in a wide variety of colors and mounting styles. Floor Anchored/ Overhead Braced, Ceiling Hung, and Floor to Ceiling Anchored styles.

Powder Coated Steel

ASI's powder coated metal partitions are manufactured with Integrated Privacy™. Thermoset hybrid powder coating on these galvannealed steel partitions provide quality and economy. The finish is resistant to wear, fading, and scuffing. It is easily cleaned and wiped dry. Available in all mounting styles.

Warranty 5 years*

Warranty 25 years*

Warranty 3 years*

Moisture Guard™ Plastic Laminate

Plastic Laminate Partitions with Moisture Guard™ Edge Banding fuses with the substrate creating a seamless beveled profile that eliminates any unsightly black lines that appear in standard Plastic Laminate. Available in all styles in 48 colors/patterns.

Black Core Phenolic

Holds up even under severe moisture conditions from showers, pools, and saunas, or when maintenance includes hosing down toilet partitions. Ideal for where vandalism is a problem. Available in all styles in a range of colors-all with black edges.

Color-Thru[™] Phenolic

Color-Thru Phenolic lives up to its name, with surface color through and through. This product is impact, scratch, and graffiti resistant. It also has excellent screw-holding power and all the advantages of traditional Phenolic performance. Available in all styles and attractive colors.

Warranty 5 years*

Warranty 25 years*

Warranty 25 years*

^{*} See full warranty on website: asi-accuratepartitions.com (2-year warranty for non Moisture Guard™ Plastic Laminate).

COLORS & FINISHES

POWDER COATED*

Stainless Steel 48 hour shipping available only in #4 Satin finish.

SOLID PLASTIC (HDPE)**

COLOR SELECTION:

AVAILABLE FINISHES:

Available in all non-metallic colors.

Stocked in silver and bronze. Available in all non-speckled colors with additional lead time and required minimums.

Available in all non-speckled colors with additional lead time and required minimums.

PHENOLIC

BLACK CORE SELECTION:** Price Index: \$

COLOR-THRU™ SELECTION:** (Not available in 48 hours) Price Index: \$\$\$\$\$

^{††} Compartments limits also apply to the non-stocked colors.

Actual colors may vary slightly from those shown due to limitations in the printing process. If color is important request color samples prior to ordering. Colors are subject to change without notice.

^{*}Directional Pattern—Pattern on panels over 60" wide will run perpendicular to pattern on doors and pilasters. Patterns shown cropped from full size sheet, contact us for additional references.

^{**} Additional charges for non-standard colors, including White 1050.

ASI ACCURATE STYLES

Floor Anchored/Overhead Braced

This economical and sturdy mounting style installs just about anywhere. An anodized aluminum anti-grip head rail secures partitions firmly to the walls.

Floor Anchored

Simplified construction permits ease of installation anywhere. For concrete floors only: 2" minimum penetration into floor required.

Ceiling Hung

When used together with wall-hung fixtures, the entire floor is accessible for efficient cleaning. Structural steel ceiling supports are necessary to assure proper installation.

Floor to Ceiling Anchored

This mounting style is extremely stable and durable as pilasters are anchored into both the concrete floor and the structural ceiling support.

Alpaco™ Classic

Zero sightline doors and pilasters meet in a flush finish with routed, overlapping closures for guaranteed privacy. Style and stability have not been sacrificed in the Classic collection, with robust octagonal head rails.

Alpaco™ Elegance

The signature top rail provides structural stability and style. If you're looking for strength, comfort, aesthetics, and durability, the Elegance collection has it all.

Ultimate Privacy™

Our Ultimate Privacy design features doors and panels up to 72" tall and eliminates sightlines into the compartments around the doors.* Now all Stainless and Powder Coated Steel partitions come standard with ASI's new Integrated Privacy™ System.

Urinal & Privacy Screens

- Wall-Hung Screens
 Available in two standar
 - Available in two standard heights: 48" and 58".
- Post-Mounted Screens
 1¾" sq. aluminum post in Floor Mounted
 or Floor to Ceiling Mounted.
- Pilaster-Mounted Screens
 Available in Floor Mounted, Ceiling Hung,
 Floor to Ceiling, or Overhead Braced.

ASI ACCURATE CONSTRUCTION FEATURES

Stainless Steel & Powder Coated Steel

WELDED CORNER

Corners of panels, pilasters, and doors are welded to each other and to the adjacent face sheets.

UPPER DOOR HINGE

Internal part of the door. A pin goes through door and bracket for three-point bearing and operates in a nylon bushing in upper hinge bracket.

BOTTOM DOOR HINGE

Gravity-positioning hinge provides safe, durable, and maintenance free support.

HONEYCOMB CORE

Made of cellular honeycomb. This type of core provides strong construction and sound attenuation.

EASY-STALL™ SHOE

Type 304 Stainless Steel Easy-Stall™ Shoe simplifies installation and leveling adjustments.

VANDAL-RESISTANT FASTENERS

Special driver installs fasteners, which virtually eliminates unauthorized removal and ensures easy installation.

INTEGRATED PRIVACY™ NO-SIGHT SYSTEM

Integrated Privacy™ Partitions feature Zero Sightline Components to conceal compartment. Now all Stainless and Powder Coated Steel partitions come standard with ASI's new Integrated Privacy™ System.

OUR NEW STANDARD OCCUPANCY INDICATOR

Our partition doors are factory drilled simplifying the installation of the occupancy indicator

Moisture Guard™ Plastic Laminate

VANDAL-RESISTANT FASTENERS

Special driver installs fasteners, which virtually eliminates unauthorized removal and ensures easy installation.

CORE

Particle board core is #45 density to resist warping and ensure a smooth surface.

VERTICAL-GRADE LAMINATE

The thickness meets the most demanding partition specification.

EMERGENCY ACCESS

Meets ADA requirements. Slotted keeper coupled with gravity hinges allows access in an emergency.

DOOR HINGES

Wrap-around mounting and through bolting for vandal resistance.

EASY-STALL SHOE™

For floor anchored overhead braced.

Easily adjusted leveling bolt.

True concrete anchor screws designed for lasting holding power.

Anchor rated at 2770 lbs. pullout strength.

Fabricated of type 304 stainless steel.

Solid Plastic (HDPE)

VANDAL-RESISTANT FASTENERS

Special driver installs fasteners, which virtually eliminates unauthorized removal and ensures easy installation.

8" ALUMINUM WRAP-AROUND HINGE

Mainstream choice. Heavy-duty.

6" ALUMINUM STRIKE

Industry-standard wrap-around strike/keeper.

EASY-STALL™ SHOE

For floor anchored overhead braced.

Easily adjusted leveling bolt.

True concrete anchor screws designed for lasting holding power.

Anchor rated at 2770 lbs. pullout strength.

Fabricated of type 304 stainless steel.

Phenolic

VANDAL-RESISTANT FASTENERS

Special driver installs fasteners, which virtually eliminates unauthorized removal and ensures easy installation.

VAULT HINGE

Rugged, attractive wrap-around hinge. Extra strong for heavy-duty installations.

EMERGENCY ACCESS

Meets ADA requirements. Slotted keeper coupled with gravity hinges allows access in an emergency.

EASY-STALL™ SHOE

For floor anchored overhead braced.

Easily adjusted leveling bolt.

True concrete anchor screws designed for lasting holding power.

Anchor rated at 2770 lbs. pullout strength.

Fabricated of type 304 stainless steel.

WHO WE ARE

Only ASI Group designs, engineers, and manufactures fully integrated washroom accessories, partitions, lockers, and visual display products from one source.

The ASI Group is known for innovative products, speed to market, and the widest offering of materials and products

in the industry. Our family of companies work together with one mission in mind—"To make our customers successful by providing value that exceeds price and an excellent service experience."

McDowell Hall, American University Washington, DC Alpaco Elegance Toilet Partitions
