Through constant research, innovation, and development, we design and manufacture high quality visual display products that are easy to install and require little maintenance.

VISUAL DISPLAY PRODUCTS

A large variety of high quality trims, surface options, mobile units, accessories, and configurations.

VELARE™ COLLECTION

ASI's Velare Behind the Mirror system is designed to elegantly conceal clutter. The stainless steel cabinet houses a hands-free automatic soap dispenser, and your choice of a paper towel dispenser or high-speed hand dryer, with a HEPA filter.

INTEGRATED PRIVACY™ METAL PARTITIONS

ASI's proprietary, Integrated Privacy™ partitions are engineered with built-in privacy and manufactured as one color matched unit, offering complete privacy without the need for any retrofitted components. Exactly what building occupants want and deserve.

At ASI, Privacy isn't Optional.
It is our Standard.

PIATTO™ COLLECTION

ASI's unique Piatto Collection of Washroom Accessories is designed to stand apart by not standing out. Each washroom accessory is completely recessed, lying perfectly in the plane of the washroom wall. Phenolic doors add an air of sophistication, while concealed hardware adds to the collection's minimalist, clean lines.

UNIBODY™ LOCKER SYSTEM

ASI's locker door frame, sides, and back are all manufactured from one sheet of solid plastic. The result? A Unibody™ locker system with increased structural integrity that's virtually maintenance free. Add to that, the highest quality hinges and latches in the industry.

HAND SANITIZER, SOAP DISPENSERS, & HAND DRYERS

Designed with high traffic environments and hygiene in mind, our automatic dispensers dispense either soap (liquid or foam) or hand sanitizer (gel or foam).

Our elegant Turbo-Pro™ ADA-compliant, high-speed, automatic hand dryer is available in a satin finish stainless steel, white or matte black, and utilizes a HEPA filter to purify the air before it dries hands.

MATTE BLACK COLLECTION

ASI's Matte Black Collection provides a chic alternative for modern washrooms. Carefully curated to be versatile and powder coated for added durability, these accessories are ready to make a statement in any setting. The boldness of black creates an air of sophistication, while the subtlety of the matte finish exudes warmth.
